## Maryland Recyclers Coalition 15<sup>th</sup> Annual Conference *"Refresh, Renew, Recycle"*

— David M. Mrgich  
MDE STAFF

**Wednesday, May 28<sup>th</sup>** marks the beginning of the 2003 Maryland Recyclers Coalition (MRC) annual conference. Running through **Friday, May 30<sup>th</sup>**, the conference will be held at the Community College of Baltimore

County – Catonsville Campus for the second year in a row.

Sessions on recycling in small business (that have issues similar to State

agency offices) and selling your recycling program to management make this a conference State agencies should try to attend. Additionally, on Wednesday, May 28<sup>th</sup>, there is a session devoted specifically to recycling at colleges and universities. The conference also offers a great opportunity to network with recycling professionals.

Go to the MRC's web page at [www.marylandrecyclers.org](http://www.marylandrecyclers.org) for everything needed (including a 2003 Conference Program Guide) to register for the conference.

We hope you enjoy this issue of the All StAR News. The next All StAR News is scheduled for the Summer of 2003!
